Would like to invite you to a Professional Development Opportunity

Supervision in Counselling

Hobart - January 2012

ABOUT THE INTENSIVE:

This subject addresses the issue of supervision as an area of academic skill development and analysis with a view to equip participants to be able to develop competence in being able to provide professional supervision to those in the counseling profession.

Training will be compliant with the new standards published by PACFA.

ABOUT THE PRESENTER:

Douglas A. Taylor, MQCA; M. Soc. Sc (Couns). Doug has been counselling and training others in churches, community groups and Universities for the past thirty years. During that time he also worked as a pastor with the Church of Christ for fifteen years. His interests include supervision, relationship counselling, and working with victims of sexual abuse and sex offenders. He has worked with the Salvation Army Counselling Service for the past thirteen years as their manager and counsellor. He also works part-time with Christian Heritage College as a lecturer and educator and has done so for the past 14 years.
