

Group Supervision 2012

Supervision is a necessary part of our registration as Counsellors. Group Supervision has the advantages of giving us a safe place to debrief and get a wide variety of different perspectives on the issues we bring for discussion. Providing you present it will be counted as one session and is a cheaper alternative to one on one, with this in mind Karinya is planning on offering Group Supervision on the fourth Wednesday of the month beginning January 25th.

The group will consist of no more than 5 people and will meet once a month on, Wednesday morning at, Karinya, 588 High St., Rd. Glen Waverley. 9.30am-11.30am at a cost of \$45.00 per person

The group will be run by Maureen Ireland who is a trained Supervisor with over 9 years experience supervising and has 23 years as a counsellor. She has done a Masters in Counselling, Grad Dip in Couns, Dip in SFT, is a Certified Focusing Trainer and MBTI Trainer. She has also trained as a Couples Counsellor and a Mediator.
